## WHO WE ARE

As a graduate of the Aurora Citizens' Police Academy, you are now eligible to join the Aurora Citizens' Police Academy Alumni Association (ACPAAA). We are a group of people – like you – who are CPA graduates. We feel we can make a difference in our community by staying active with the Aurora Police Department and by sharing our Citizens' Police Academy knowledge with our fellow citizens. Our Association has many opportunities for CPA graduates to remain involved on a volunteer basis – from role-playing for mock crime scenarios for the Police Department's training exercises to representation at civic and community activities.

We are continually striving to make our Association stronger and more versatile. We believe this can be accomplished by having a diverse membership base. Join us at our next general membership meeting to see what the ACPAAA is all about. You will be receiving our next Association newsletter with details for the next meeting. Feel free to bring a friend if you like – after all, the Aurora Citizens' Police Academy is always looking for new recruits!

**APD FINGERPRINT REQUIREMENT**

In order to comply with an audit by the Federal Bureau of Investigation, the Aurora Police Department is required to fingerprint all volunteers (including ACPAAA members). You must have a set of fingerprints on file along with a current Volunteer Agreement to participate in any volunteer activities. In this process, electronic fingerprints will be taken and forwarded to the Colorado Bureau of Investigation for clearance.

You must contact Lori Lukone to schedule an appointment for fingerprints:

303.739.7833, [llukone@auroragov.org](mailto:llukone@auroragov.org)

(NOTE: Do not be surprised -- this phone number will be answered by staff of the Marijuana Enforcement Division, Aurora Finance Department. They are providing these digital fingerprint services to APD.)

Your membership application and payment  
will not be processed until we have fingerprint clearance from APD.
