

ACPAAA Membership Renewal for 2018

It's that time of year again – our annual membership renewal campaign is underway.

Enclosed you will find documents concerning your membership renewal for 2018. Please review these documents promptly and act accordingly if you wish to retain your membership in the ACPAAA for next year. **Membership renewal is due 1 January 2018; membership lapses if not received by 31 January 2017. Lapsed members are not eligible for longevity or other awards based on continuity of membership.**

MEMBERSHIP RENEWAL AND 2018 VOLUNTEER AGREEMENT. If you want to retain your membership and volunteer for any of our activities in 2018, you must have a current Volunteer Agreement on file. Please sign, date and return this document with your membership fee. In addition, note that APD policy now states that all volunteers will be required to have an ID badge in order to participate in volunteer activities; contact Clarice Ridenour to arrange for a badge if you do not already have one.

2018 EMERGENCY SERVICES SURVEY (ESS). Review the list of services and indicate/update your willingness to provide these services should there be a need and we receive a call from APD. Our Alert Team supports APD on a 24hour/7day basis. The information from this survey will be an integral part of the resources available to this team for calling and ultimately to serve APD and our community. Please pay special attention to the level of commitment (tentative-probable-definite); these will be used when making the calls for assistance.

2018 INTEREST SURVEY. This survey is used for recruiting and calling members for our activities and projects. Review and indicate which activities/projects you want to participate in. Even though you are or have been involved, please update/re-confirm your interests for 2018. This information is forwarded to the various activity/project leads for their use in making the calls for volunteers. Also, please consider involvement in the Executive Board functions; if you have an interest in getting involved in the leadership and management of your alumni association, this is the way to do so.

All of these documents are important to define your potential involvement with ACPAAA for 2018. Please review and prepare all of them to summarize how much (or how little) you want to be involved in your organization. We look forward to receiving your renewal information and membership fee promptly so that your credentials will be up-to-date. Calls for assistance will be made first to those members who have submitted their renewal information.

If, for some reason, you have decided not to renew your membership, please let us know. We will update our files and will not send you any renewal reminders. We would also like to know why you chose not to renew if you are willing to share that information.

Thank you for your previous and continuing support of our alumni association. As we close out 2017, we are looking forward to continuing and expanding our support to APD and our community with your involvement. We wish you and yours a happy holiday season and best wishes for the New Year.
